

Rajapushpa's Greendale

Rajapushpa Green Dale has an opulent clubhouse with state-of-the-art facilities. Cool off with a refreshing dip at the pool or warm up with an invigorating outdoor match. Go in for a spirited Indoor game of Table Tennis. Tone up at the gym after a brisk walk every morning. Celebrate parties in style. In fact, this is where you live life to the fullest in total peace.

GREEN IS THE COLOUR OF LUXURY HERE

Green Dale is a mega and prestigious villa project at Gachibowli-Tellapur. Initiated by Rajapushpa Properties, the 42-acre Green Dale spreads the pleasures of luxurious lifestyle nestled in vast open spaces. While the triplex villas offer elegant spaces with every conceivable amenity and a grand clubhouse, over 50% outdoor spaces with manicured landscapes, miles of jogging track, sky bridges, water bodies and seating areas create a magic. A world in itself, Green Dale lets you explore the life style nuances.

WONDERFULLY CLOSE, MAGICALLY FAR...

A few minutes from elite schools, smart malls, and fine dining, Green Dale at Tellapur opens up a brand new world of elite living. Strategically located at 9 Kms from Wipro X Roads, the project is accessible from major software companies like Microsoft, Infosys, ISB and Financial District. The planned growth corridor, a short drive from ORR and proximity to HITEC City makes this address eminently desirable.
